2. The "**Loyalty Scheme**" may be offered by XM from time to time to clients who open real trading accounts with XM, in cases where such clients are referred to XM via specific websites and/or social network sites in the context of certain specific promotions, and/or surveys that XM may be running from time to time on such specific websites and/or social network sites.
3. XM, at its reasonable discretion, offers the "**Loyalty Scheme**" to any Client(s) and/or any countries / regions as it deems appropriate and for as long as XM deems to provide it.
4. Only persons who can form legally binding contracts under the laws applicable in their country of residence may participate in the "**Loyalty Scheme**". 5. Participation of "**Intermediaries/Related Parties**" in the "**Loyalty Scheme**" is prohibited. If the registration and / or trading data of a participant in the "**Loyalty Scheme**" corresponds with the registration and / or trading information, including but not limited to IP address, of another participant in the "**Loyalty Scheme**", XM reserves the right to regard this matching as a reason for immediate disqualification. For the purposes hereof, the term "**Intermediary(ies)/Related Party(ies)**", when used in these Terms & Conditions, unless the context otherwise requires, shall mean to include any person or entity bearing a relationship with any participant in the "**Loyalty Scheme**", including, without limitation:
 - a) family members, such as brothers, sisters, spouses, ancestors, lineal descendants and collateral descendants;
 - b) person or entity, whom any participant in the "**Loyalty Scheme**", directly or indirectly through one or more intermediaries, controls, or whom, directly or indirectly, through one or more intermediaries, is controlled by, or is under common control with any participant in the "**Loyalty Scheme**"; for purposes of this definition, the term "**control**" (including, with correlative meaning, the terms "**controlled by**" and "**under common control with**"), as used with respect to any participant in the "**Loyalty Scheme**", shall mean the possession, directly or indirectly through one or more intermediaries, of the power to direct or cause the direction of management policies of such person or entity, whether through ownership of voting securities or otherwise.
6. Similarly, persons associated in any manner whatsoever with XM and/or with the specific websites and/or social network sites on which XM may be running from time to time certain specific promotions, contests and/or surveys, in the context of which access to the "**Loyalty Scheme**" is offered, are not allowed to participate in the offer.

C. Specific “Loyalty Scheme” Terms

1. Eligible Clients, who meet the criteria set forth herein are able to participate in XM Loyalty Program and earn XM points (“XMP”), which will be calculated according to traded volume with special multiplier set respectively to following Loyalty Statuses:
 - a) “**Executive Level**” – **10XMP** per every round turn standard lot traded and or **0.10XMP** per every round turn micro lot traded.
 - b) “**Gold Level**” – **13XMP** per every round turn standard lot traded and or **0.13XMP** per every round turn micro lot traded.
 - c) “**Diamond Level**” – **16XMP** per every round turn standard lot traded and or **0.16XMP** per every round turn micro lot traded.
 - d) “**Elite Level**” – **20XMP** per every round turn standard lot traded and or **0.20XMP** per every round turn micro lot traded.
2. Round turn trade will be considered as invalid to generate XM points (“XMP”) in XM Loyalty Program, in the event when its duration will be equal or shorter than 10 minutes.
3. The “**Loyalty Scheme**” is only available for Standard and Micro trading accounts (i.e., not available for other account types such as existing zero trading accounts and Ultra Low trading accounts).
4. Eligible Clients may refer their friends to XM and the eligible clients as well as the friend(s) referred will be rewarded with 150XMP, if the following requirements are met:
 - Your friend(s) must open an XM Real Account and, according to their country of residence, may be required to trade either 1 or 5 standard round turn lots using deposited funds;
 - The position must be held for more than ten (10) minutes.

Please note the following:

- The “**Loyalty Scheme**” is not applicable if the friend(s) referred reside in countries outside EEA (i.e., the Company does not offer its services to clients residing in third countries)
- You are allowed to refer only three (3) friends every 24 hours
- You are not allowed to refer the same friend more than once
- You cannot invite existing XM account holders
- Persons referred will need to follow the link provided by XM via email within five (5) days from the receipt of the email and successfully open and validate a real trading account
- If the referred friend, following the link mentioned above, opens an Ultra Low trading account he/she will not be able to receive the 150XMP (i.e. Ultra Low trading accounts are not eligible to participate in the “**Loyalty Scheme**”)
- If the referred friend does not have any trading activity in the account opened via the link provided, then the trading activity in other trading accounts of the referred friend will not be taken into consideration for the calculation of the trading volume.

Please also note that the link expires after five days from the receipt of the email.

5. Eligible Clients with their first deposit are promoted to “**Executive Level**” – further promotions depend on cumulated number of traded (business) days according to the following diagram:

- Eligible Clients will be demoted to “**Executive Level**” in case of trading inactivity according to the same principle applied in direction of promoting (e.g. trading inactivity for 30 business days, 60 business days, etc.).

Example: It takes 100 active trading days in order to reach “**Elite Level**”, therefore it takes 100 days of trading inactivity in order to be demoted to “**Executive Level**”. Clients are always demoted to “**Executive Level**”, there is no gradual demotion like from “**Elite**” to “**Diamond Level**”.

- In the event of demotion to “**Executive Level**” all previously earned XM points (“**XMP**”) are lost and therefore XMP count is reset to “0”. Recovery of the lost XMPs is not possible, however new XMPs will be earned according to Loyalty Status and trading volume instantly once trading is recommenced.
- Eligible Clients who are at the “**Executive Level**” and are inactive (i.e. no trading activity) for forty-two (42) consecutive business days will lose any previously awarded XM points (“**XMPs**”).
- Any earned XM points (“**XMP**”) can be redeemed by dedicated functionality in Members Area anytime and credited to any of Eligible Clients’ Account(s) as Credit (all Loyalty statuses) according to following formulae:

Credit:

CREDIT

CREDIT = XMP ÷ 3

XMP
CREDIT

Example: Your current balance is equal to 10,000 XMP. You decide to redeem 3,000 XMP as **trading bonus**. By using the convenient Trading Bonus Redeem tool in the Members Area, the amount will be automatically converted to give you 1,000 USD as trading bonus, and leaving you with a new available balance of 7,000 XMP to be redeemed later.

- Any earned XM points (“**XMP**”) can be additionally used in many other various promotions offered from time to time by XM.

D. General Terms

- Please note that it may take up to 24 hours before any Credit is added to the account of an Eligible Client who meets all of the criteria set forth herein.
- The “**Loyalty Scheme**” is only available for Standard and Micro trading accounts (i.e., not available for other

account types such as existing zero trading accounts and Ultra Low trading accounts).

3. The “**Loyalty Scheme**” applies to all professional clients who open real Account with XM in accordance with the rules set herein and granted Credit may be used for trading purposes only and cannot be withdrawn.
4. Any withdrawal of funds from an Eligible Client’s real Account(s) with XM will cause the removal of the previously awarded Credit proportionally to the percentage of the requested amount of the withdrawal from the respective Eligible Client’s real Account with XM. Below you can find some examples for your better understanding:

Example 1:

Redeemed XMP	Credit Received	Profits generated from trading with the Credit	Balance available for withdrawal	Amount of requested withdrawal	Amount of Credit removal
3,000	USD 1,000 (3,000 ÷ 3 = USD 1,000)	USD 1,500	USD 1,500	USD 750 (50% on USD 1,500)	USD 500 (50% on USD 1,000)

Example 2:

Redeemed XMP	Credit Received	Profits generated from trading with the Credit	Deposit Amount	Balance available for withdrawal	Amount of requested withdrawal	Amount of Credit removal
900	USD 300 (900 ÷ 3 = USD 300)	USD 200	USD 300	USD 500	USD 225 (45% on USD 500)	USD 135 (45% on USD 300)

5. In the event of internal transfers between trading Accounts with XM, any Credit previously credited to sending account will be moved proportionally to the percentage of transferred balance into receiving account. No new / additional Credit will be credited upon internal transfer to receiving account. In case that receiving account is not eligible for Credit, amount of Credit deducted from sending account will not be credited into receiving account and therefore that proportion of Credit will be nullified.
6. The Credit cannot be separately transferred between, or from Eligible Clients’ real trading Accounts with XM.
7. XM reserves the right, at its reasonable discretion:
 - i. to decline registration of any participant in the “**Loyalty Scheme**”; and
 - ii. disqualify any participant in the “**Loyalty Scheme**” who tampers or attempts to tamper with the operation of the “**Loyalty Scheme**”, or breaches these terms and/or any of the “***XM Business Terms and Policies***” set forth on XM’s website.

Under no circumstances shall XM be liable for any consequences of any Credit cancelation or decline, including, but not limited to, order(s) closure by Stop Out.

8. XM reserves the right, at its reasonable discretion, to alter, amend or discontinue the offering of this “**Loyalty Scheme**”, nor any aspect of it at any time, to any of its clients. Such clients will be informed via email and such changes will be posted on XM’s website. It is recommended that participants in the “**Loyalty Scheme**” consult these Terms & Conditions on the XM’s website regularly. Please note that taking part in the “Loyalty Scheme” constitutes acceptance and agreement to abide by any such alterations, amendments and/or changes.
9. Clients may opt-out from the “**Loyalty Scheme**” whenever they wish. Please send your request at the following email address: nobonus@xm.com and the relevant department will process your request and inform you accordingly.
10. Any indication or suspicion, in the Company’s reasonable discretion, of any form of arbitrage (including but not limited to risk free profiting), abuse (including but not limited to participant’s trading activity patterns that indicate

that the participant solely aims to benefit financially from the Credit without being genuinely interested in trading in the markets and/or taking market risk), fraud, manipulation, cash-back arbitrage connected to a Credit or any other forms of deceitful or fraudulent activity, will nullify all previously credited Credit of the Eligible Client's real trading Accounts with XM and/or any and all transactions carried and/or profits or losses garnered therein. In these circumstances, XM reserves the right, at its reasonable discretion to close/suspend (either temporarily or permanently) all such Eligible Client's real trading Account(s) with XM, cancel all orders and annul all profits of such participant. In these circumstances, XM shall not be liable for any consequences of the Credit cancelation, including, but not limited to, order(s) closure by Stop Out.

11. In the event that Account becomes Dormant all previously awarded Credit will be immediately withdrawn from the respective Eligible Clients real Account with XM.
12. No partner's commissions are paid for trading on Credit funds.
13. This promotion may be redeemed only once by any Eligible Client.
14. Taking part in the "**Loyalty Scheme**" constitutes acceptance of these Terms & Conditions and of the Business Terms and Policies set forth on XM's website.
15. The "**Loyalty Scheme**" terms shall be governed by and construed in accordance with the Laws of the Republic of Cyprus. Any dispute or situation not covered by these terms will be resolved by XM in the manner it deems to be the fairest to all concerned. That decision shall be final and/or binding on all entrants. No correspondence will be entered into.
16. If any of "**Loyalty Scheme**" terms were to be translated into a language other than English, then the English version of these terms shall prevail where there is an inconsistency.
